Telephone Advance on 5986 4623 or call in to 1/16 Henry Wilson Drive Rosebud.

Assessment
- Practical demonstration of Anaphylaxis First Aid using available adrenalin auto-injector training devices.
- Written Multiple Choice Test – requiring a 100% correct answers.
- Completion of a risk minimization plan, contextualised to your workplace.

Delivery
This course is delivered via blended learning, which is a combination of in class and self-paced study.

Credit Transfers
Applicants for a credit transfer must complete the student credit transfer application form, attach a copy of a verified Award or Statement of Attainment and submit the application to the Training Coordinator of the Asthma Foundation of Victoria (AVF).

RPL – Recognition of Prior Learning
As a Registered Training Organisation providing competency based vocational training, the Asthma Foundation of Victoria provides students the opportunity to apply for Recognition of Prior Learning (RPL).

Certificate Re-Prints
If you have lost or damaged your certificate, you can request a replacement. The student must complete the Certificate Reprint Request Form to apply for a reprint. The student must complete as many details on the form as possible.

Complaints and Appeals
Any student with a question or complaint may raise the matter with the Training Coordinator of the Asthma Foundation of Victoria (AFV) and attempt an informal resolution of the question or complaint.

Advance reserves the right to change or cancel courses and/or change dates, fees and times when necessary.
