“A Call to the Women of Hastings” We are creating a Women's Support Group at the Hastings Community Hub

Hastings is a vibrant community, our network will reflect this and not leave any woman sitting alone to nurse her fears.

We have all had moments when we feel the world is crashing around us, when faith in ourselves is shaken and the future looks bleak.

You have a choice. Together, we can build a true sense of belonging and sistership. 2016 heralds new groups, new support programs and new gatherings.
