Welcome to Term 1 at Hastings Community Hub

This year is already looking to be a busy and exciting one here at the Hub. We have got some exciting events coming up in the first half of the year;

- Westernport Craft Expo
- Mental Health Expo
- Secondary Schools Careers Expo

We would also like to welcome back all our returning groups from 2017 as well as a warm welcome to our new groups: Creative Makes and Marillac. We look forward to providing a safe, friendly and professional environment to run your events/programs in 2018.

The upgrade of the Mural at the front of the building is looking great and will progress further over the next term. We are looking forward to seeing the final results from Mari and her volunteers.

We also have a new project starting at the Hub this Term that will run for the next 6 months called The Hastings Community

Beautification Project. This team will be working around the building to upgrade and weed gardens, provide new seating areas in courtyards and around the grounds, create new paths and just some general beautification of our space.

If you have any questions or would like some further information about the Hastings Community Hub please do not hesitate to contact our event co-ordinator, Bek, at reception on 5979 1398, or email hastingshub@advance.vic.edu.au.

Our Space mural was created by students and community members in 2011.
